

# ROTARY CLUB OF HOWRAH

## CLUB SERVICE END OF YEAR REPORT FOR 1991/1992

In my opinion the past year has been a successful one, with good times and unfortunately some sad times. First I like to thank all the members of CLUB SERVICE who assisted me throughout the year. I am not going to name them individually as I wish to keep this report short.

Under the direction of President George Casimaty, we achieved most of the goals set for the year and we wish the incoming President Jacob George and his team all the best for the year ahead of us. President George lamented the duties at the start of the year and he counted the meetings, but we congratulate him with his persistence, even when stricken by illness. Now he can relax again and enjoy the fellowship.

We have also been proud and supportive to the successful year of our own District Governor Syd McClymont, who reflected on his experiences as DG at the last meeting. The attendance record cannot be measured as we do not register anything over 100% but the experience gained from this year will always support any other project Syd may select in the future.

Unfortunately we were also present at the farewell of Barbara Drinkwater, wife of Rtn John Drinkwater. This sad occasion brings everyone to the realisation that we are still servants to a higher power beyond our imagination and understanding. From this source also comes the strength to go on living and support the members and families in times of illness and loss of employment.

We can also be thankful for the joy that everyone gained from participating in the social activities of the Club and the support we could give to the community that surrounds us. Well done fellows.

Throughout the year the AIM for CLUB SERVICE has been:

**TO IMPROVE AND EXTEND THE FELLOWSHIP**  
**THROUGH THE SUCCESSFUL OPERATION AND**  
**ADMINISTRATION OF THE**  
**HOWRAH ROTARY CLUB**

With inspiration drawn from the following:

**GUIDELINES AND RESOURCES INFORMATION:**

- **Standard Rotary Club Constitution**
- **Recommended Rotary Club Bylaws**
- **Manual of Procedure**
- **The Rotary Basic Library**

the Howrah Rotary Club has tried to improve on the knowledge of and interest in the operation of the club and maintain the flow of information. At the end of the Club year we reflect on some of the areas covered by Club Service and the results achieved in those areas and the programme set for the year.

**MEMBERSHIP SUPPORT:**

**- Attendance:**

A high attendance by all members was encouraged. The weekly attendance was recorded by Noel Jacobs or his deputy. Attached is a copy of the weekly attendance. The average monthly attendance percentage has been 83.7 %. Our place in the statewide monthly attendance percentage has not been impressive and there is room for improvement for future years. I would like to congratulate the members that have maintained a 100% attendance and I would encourage other members to emulate this effort.

**- Classification/Membership Development:**

The membership at the end of the year stood at 33. This is an increase of the membership by one. We invited and welcomed Arnold Osborne from Canberra Wooden. The membership drive has not achieved any new members for the year.

**- Fellowship/Social Activities:**

A programme calendar of special and social events has been a guide to the various club activities. Six updates were issued and it has been a very busy period for the members.

I would like to thank the members who assisted me to make these events so successful. Unfortunately some of the scheduled had to be cancelled.

Our companions have not been neglected and every month we had activities where our wives/mates could accompany us. We also like to congratulate Allan Morriss with the Paul Harriss Fellowship Award. This Award was made in recognition of the contribution to the cause of Rotary and our Club in particular.

Some of the successful activities were:

The change-over dinner  
The District Governors visit  
The ADARDS night  
The night at STEAMING (I am still sweating)  
The Sandford Fair and day in the market garden  
The Christmas Dinner at the Golf Club  
The Eastern Shore Combined meeting with the  
Commissioner of Police  
The working-bee on the path  
The million dollar meal for the Christmas Bowl Appeal  
The Richmond Fair Chocolate Wheel  
St Johns School Fair  
Stationary progressive dinner  
Combined meetings with: Kingston (RYLA)  
Bellerive (Anna Warburton)  
Glenorchy  
and various other speakers

**- Magazine/bulletin:**

I like to thank the bulletin editor and his helpers for the excellent weekly production of the bulletin. The contents has been informative and the cover was well done. No items have been available for the Rotary magazine nor the media.

**- Fund raising:**

Fund raising is always the backbone of the financial support that is given to the community. Substantial amounts were collected through the chocolate wheel at the fairs. Some of these funds have been distributed over nominated projects and a reserve will be transferred for the inaugural Eastern Shore Cultural Festival.

## EXTERNAL ACTIVITIES:

### - Public relations:

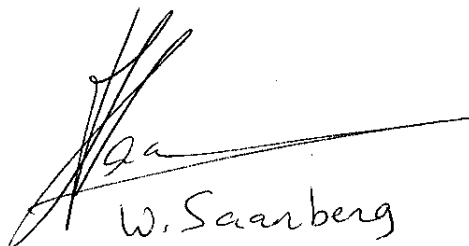

Public relations in the Howrah Rotary Club is generally handled by each member on any item of their interest and generally the desired result is gained. Contact with the media has not been used to its full extent and can be used more to promote our cause and what Rotary stands for.

### - Country Fairs:

The club has attended three country fairs and other functions:

- The Richmond fair was well patronized by spinning the chocolate wheel.
- Our own Sandford fair is always one of the highlights on our calender and has again been very successful this year.
- The St Johns school fair in Richmond
- Royal Hobart Regatta, despite the awful weather
- Government House Open Day

I would like to thank all members who were instrumental for the successful delivery of a job-well-done.

W. Saarberg

# ANNUAL SPECIAL EVENTS AND SOCIAL PROGRAMME

(REVISION 6)

5 May 1992

18 JULY 1991 CHANGE OVER DINNER (LADIES IN ATTENDANCE)
