ROTCARY CLUB OF HOWRAH INC.

PRESIDENT'S REPORT FOR 1994/95.

Fellow Rotarians,

It is my pleasure to present this report on the Club's activities for the year.

Separate reports from our four Directors and Treasurer will cover the four avenues of service and financial position, therefore I will restrict my comments to a general overview of the Club's year.

I believe the Club has enjoyed a successful year and has provided considerable financial assistance to a wide range of deserving causes especially Youth and the Elderly. The Club's financial situation is sound with a carry over of funds to assist President Peter and his incoming board. Funds were made available to the Outdoor Tasmania Committee to cover expenses involved in getting the show started. Excellent fellowship has been enjoyed throughout the year and I feel the great strength of Howrah Rotary is a united Club where all members roll up their sleeves when there is a job to do.

Throughout the year Guest Speakers have been excellent and we have enjoyed many interesting speakers on informative topics. Our partners have joined us at several functions during the year, I feel this area of fellowship is most important to the wellbeing of the Club. Special thanks are due to the ladies who so willingly helped at the Fair and the most successful Government House Devonshire Teas.

Sufficient money was available to nominate a Paul Harris Fellow however formalities will delay the presentation of the honour to the new Rotary year. To the recipient we extend our warmest congratulations.

At all our fund raising activities with the exception of Government House the charity dollar seems to be harder to come by, and it is hoped Outdoor Tasmania Show will be a goer and a good fund raiser.

Two new members were gained in the past year. It seems very difficult to increase membership, many people who would make good Rotarians cannot afford the time to make other commitment.

In conclusion, I extend my sincere thanks to all Board members for their assistance, cooperation and advice throughout the year. I extend my sincere thanks to the Club members who willingly accepted responsibility for the many activities that keep the Club functioning smoothly and finally sincere thanks to all Club members who cheerfully rolled up their sleeves and got on with the job at the various fund raising days.

In handing over the chair of office to President Peter I wish he and his team every success for the coming year.

J MORRISBY.

### **COMMUNITY SERVICE ANNUAL REPORT 1994-1995**

In July last year the Committee set a challenging programme for this portfolio incorporating both personal and community development. I am pleased to report that the majority of these goals have been achieved.

During the year the following Guest Speakers addressed the members on this portfolio

Allison Underwood  
Reg Lightfoot  
Carol Edwards  
Brian Parry Adams

Lillian Martin Home  
Abbeyfield Project  
Friends of Clarence Plains  
Windeward Bound Trust

Following these representations the Club donated \$1000 to the Lillian Martin Home towards their bus appeal. An answering machine was purchased for the Friends of Clarence Plains. This purchase has been very helpful to the group.

The Club inspected the boat building project of the Windeward Bound Trust at the ANM shed and then invited the founder Brian Parry Adams to address the Club. Following Brian's talk a donation of \$400 was made to the Windeward Bound Trust.

The Abbeyfield project has been put on hold until such time as the Club has sufficient funds to seriously consider a project of this size.

Book prizes to the value of \$50 per school were again provided to all schools both primary and secondary in our area.

A family night Million Dollar Meal was conducted in December and the proceeds plus a similar amount from the Club was donated to the Salvation Army.

The Howrah Rotary walk way has been put on hold until we obtain information from the Council regarding on going maintenance by the Council on the walkway.

Fitting out of the Club's caravan has been completed.

## ANNUAL REPORT

### ATTENDANCE

According to the DJ's newsletter this Club is about the middle of the field with attendance figures for the year. No one in the Club got 100% attendance, we got into the 90 plus twice that was as close as the Club got to 100%.

Eleven members made up during the year at least once, one member attended eight make up meetings.

### MEMBERSHIP DEVELOPMENT CLASSIFICATIONS

We were fortunate to have four members inducted into the Club during the year our 10% increase we were one of the lucky ones, with an increase for the year. Two years ago we made up a long list of classifications that could be filled, it is not an easy job getting new members though, to get this or something like it next year we all have a lot of work to do.

### MEETING PROGRAM

We have been very well looked after with a great variety and very interesting guest speakers during the year. Where possible we have had speakers to address each Rotary theme.

The Eastern Shore Clubs have had two combined meetings this year all well attended. We missed having Sandy Bay and Glenorchy Clubs visit us, both unfortunately had to cancel.

### BULLETIN

The Bulletin has kept us informed of Club activities during the year, we are indebted to the Editor for the job he has done.

All members could make better use of the Bulletin with snippets of interest to all.

### SERGEANT AT ARMS

Has really enjoyed his job, and made all members careful to hide any indiscretion. It will be interesting next year. A reminder here to all if you receive a Bulletin in the mail put the postage in the fines box.

## VOCATIONAL- YOUTH SERVICE DIRECTOR'S REPORT

1994 - 1995

I am pleased to present the 1994 - 95 Vocational- Youth Services report on behalf of my Committee.

The following programs and projects were achieved:

- \* The Siemens Tasmanian 1995 Science Summer School attracted attention from Rokeby High school once more.  
Two students were sponsored to attend this summer school by the club who expressed the value of attending.
- \* Stuart Job attended the 1995 National Science Summer School as the nominee of the Rotary Club of Howrah.
- \* Mini United Nations Assembly was conducted by the Rotary Club of Deloraine. A group of 2 students from Rokeby High School and 4 students plus a teacher from Emmanuel Christian School attended this forum and sponsorship was provided by this club.
- \* The Rotary Club of Howrah provided valuable assistance to the Emmanuel Christian School High School students during the second term of 1995 in the area of job interviews.
- \* The club gave financial and other commitment to the Rotary Club of Hobart business mentorship program.
- \* The commissioning of a detailed agenda and costing for an enterprise venture to train Young People in the creation and taking up of job opportunities from the Young Aussie organisation.
- \* Preliminary planning for the Young Aussie Enterprise Venture (Starfish Enterprise). Hopefully the in coming committee will be able to take this project to fruition.
- \* The sponsoring of Mrs Tammy Mason to RYLA. Tammy's husband Troy was sponsored by the Sorell club in what must be a fairly rare husband and wife team.
- \* The sponsoring of one student from Rokeby High School to RYPEN.

I thank all members of the Committee for their support and contribution to all activities undertaken. I also thank the Board for it's constructive support of the Committee's programs.
