WINNERS ARE GRINNERS - KATKIS WIN THE QUIZ

Last Thursday's Quiz Night was a great success, especially for team Katkis who were the clear winners and they also won two bonus prizes. Congrats to Ishwari, Ange, Terry, Ken, Karin and Shirin for an excellent effort.

MORE FROM QUIZ NIGHT - THE OTHER TEAMS

The Cold Schotts were certainly not Hot Shots but did take second place. One member was kind enough to tell everyone

The Lizards tried very hard and we thank them for their excellent participation. A good team out of luck.

Team Fred made the podium in third place. Tried very hard but were distracted by a disruptive quizzer. Guess who?

Many thanks to Quizmaster George Toepfer for his interesting questions, adjudication and fine organisation. A fun night for all.

NEWS FROM OUR OWN ROTARIAN NUMAN RASUL

This report came from Howrah Rotarian Numan Rasul who has been organizing another health camp in Pakistan recently.

“Jad-o-Jehad Foundation has arranged another successful Free Medical & Physio. Camp at Ferozewatoan,

Sheikhupura with the collaboration of Rotary Club of Howrah Aust. and Physio Connect Association. Approximately 350 patients had a check up done and free medicines provided to all the patients prescribed by the doctors. Physiotherapists taught patients through Youtube videos so they can do exercises at their homes by themselves.”

This picture shows the doctors, physiotherapists and volunteers who worked at the camp. Numan is pictured in the middle of the standing group. Once again our Club provided funds to support the camp.

NEXT WEEK'S GUEST SPEAKERS

Next week's Guest Speakers will be Josh Boucher and some Sandford Scouts and also Phil Tyson from the Sound Preservation Association of Tasmania. Phil has advised that he will set up a display of some of the old radios and sound devices found at their Bellerive headquarters. So please take advantage of this great opportunity and arrive a little earlier at BYC so you can enjoy the display. Simon and the scouts will report on the big nation wide scout jamboree. Please note we will be back upstairs for our meeting.

ANOTHER SOCIAL OPPORTUNITY - THE MOUSETRAP?

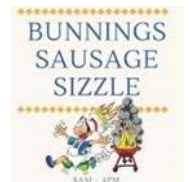

The Mousetrap is a murder mystery play by Agatha Christie. *The Mousetrap* opened in London's West End in 1952 and ran continuously until 16 March 2020, when the stage performances had to be temporarily discontinued during the COVID-19 pandemic. It then re-opened on 17 May 2021. The longest-running West End show, it has by far the longest run of any play in the world, with its 29,500th performance having taken place as of February 2024. For

over 70 years, **AGATHA CHRISTIE'S THE MOUSETRAP** has kept millions of people from every corner of the globe on the edge of their seats. **IT'S COMING TO**

HOBART FROM 11th –22nd JUNE at the THEATRE ROYAL. Secretary Robyn has the details and will speak about Mouse Trap at next week's meeting to gauge interest in this being a social occasion for our Club. Give it some thought and be prepared by checking the website: Hobart | Agatha Christie's The Mousetrap

BUNNINGS BBQ REPORT Back to winter at Mornington . . . Boy! It was a cold start to the day! But we plodded on . . . a very slow start to begin with but it sure picked up as the day progressed, so much so, the middle session just flew past, and sales were good, as well as the profit. Had to get more sausages and bread but all went smoothly. The last session was steady so there was much to do as the temperature was slowly dropping but thank goodness it didn't rain. Well done to all workers! Thanks to LEEANNE, Karin, Bob, Terry, Peter L & Ken for putting their hand up for our Sunday BBQ. Co-ordinator Gayle set things in motion, crossing fingers for a fine day and the predicted temperature of 16 degrees with a slight chance of rain. Once again, the bread was kindly supplied, courtesy of Banjo's at Rosny. **Sausage Turner and Onion Revitaliser, George.**
