13th August 2026 – Meeting (Marina Bar Downstairs)

Guest Speakers:

- **Lilian Joseph – United Nations Student Representative**
- **Surf Life Saving Tasmania – Two representatives**

Social (Quiz) Night Summary

Our August 6th 100-question-Night **was held downstairs in the Marina Bar, but a BYC 'timing and room mix-up' meant we were sharing the room with a 'Craft Group' of Spinners.**
Along with members, it was good to see partners and extended families ready to pit their memories against the *Trivia-Master George and special scorer Karin.* We welcomed extended family of Judy P's = Mark and Wendy, and three lovely ladies from the Craft Group, Janet, Jacky and Gayle, who were happy to join in to enhance their night. It was good to see Allison Ritchie back to enjoy the night with us, along with Zak Morrisby, a prospective young candidate for the Clarence Council. There were many prizes on offer, and they were going out left and right. Despite lowish trivia-night numbers (24), it was a great fun night!!! *There were 3 Teams:* "Jewels", "Pollies" and "Spinners". In the excitement, known answers were blurted out loud, thus within earshot of other teams ~ but that's all part and parcel of *being heavily involved and contributing to group knowledge. . .*
With questions that delved into the "Baby Boomers" memory banks, the competition was spirited and close, but in the end, Jewels won with 70 points (Spinners = 65 and Pollies = 64).
Thank you to all who took part and well done!

Wishing Robyn Harrison a speedy recovery. We hope she feels better soon and gets plenty of rest. Our best wishes are with her for a quick and full recovery.
